Newsletter 2024

News from the Activity Department...

In April we hosted a volunteer social for all our community members that selflessly give us their time in so many different ways. We appreciate our volunteers that we have and can't thank them enough for everything they do for the facility. From delivering meals on wheels, lending a hand with bingo, assisting with church services, or just coming out and having a cup of coffee – we thank you! The staff and residents appreciate you!!

This month is National Nursing Home Week, May 13th – 18th, which means it will be full of fun activities and great food! 😊 Please keep an eye out for posters around town or check out our Facebook page for the scheduled events during Nursing Home Week that we are inviting the community out to join us!

The garden is now OPEN for the season and we couldn't be happier! We will be having garden socials, garden exercise, and lots of time out in the sun in the near future! Just a reminder, please bring hats or sunglasses for your family member as we will be spending more time in the garden area.

On the 3rd Friday of every month, Father Josh from the Catholic church holds mass at our facility at 10:15 am. The community is welcome to join us!

As some of you may know, Hailey will be taking a step back from being the Activity Director as she starts Nursing school in June. She would like to thank everyone for being involved with our facility, the activities, and for making her job so enjoyable! She will miss everyone dearly.
