MARCH 2025

Hello from the Activity Department...

Spring is getting closer, thank goodness! I think everyone is ready for warmer weather and to get rid of all the flu bugs that seem to have made it everywhere this year!

When we were not in our rooms, we celebrated the Superbowl with some delicious food made by the kitchen. We enjoyed meatballs, queso dip, meat and cheese tray, corndogs, and punch. We all voted who we thought was going to be the Superbowl winner... let's just say there were a few disappointed fans. While we were unable to have our Valentine's Day Party, we enjoyed working on our heart-shaped pillows and we baked delicious pastries.

In the month of April, we would love to plan a Senior Prom with all the residents and staff here at RCNH. The Prom would include a formal dinner, music, and socializing with peers. If you have any wardrobe or items you would like to give to your loved one for the event, please do so before the month of April. For any questions, please contact Sammy.

We look forward to the warm weather coming and to be able to get outside and enjoy some fresh air! Spring is almost here!

National Employee Appreciation Day is Friday, March 3rd and we would like to recognize all of our employees here at the Nursing Home that give their time and effort in making our home truly the best! Day in and day out, they come to work and care for our residents with kindness and compassion. The residents are like family to us, and it shows. We want to recognize our employees today and every day for their hard work and dedication.

THANK YOU
